

DIRECT MELTING KETTLES

DF10W Model Shown

AVAILABLE SIZES

10 gal

30 gal

100 gal

The 10 gallon unit is mounted on steel wheels and is equipped with a spring loaded hand release valve for easy release of material. This unit comes equipped with a material temperature gauge, 80,000 BTU propane burner, propane hose with regulator and steel shoe for striking off sealant in a uniform width.

FEATURES

- Our equipment comes ready to use, just need a propane bottle & sealant and you're ready to work!
- All equipment comes equipped with a material temperature gauge, propane hose with regulator and a propane fired burner.
- Each melter is manufactured with a 12 GA steel vat and is leak tested before it leaves our factory.
- Equipment comes ready to go! No assembly required!
